March 2007

Dear Parents,

Based upon the review of the budget forecast 2007-2008, \$250.00 per student is necessary to meet the fundraising budget. We are working on ways to lessen the burden on individual families and hope to have good fundraising tools in place to help reach all goals.

The following are the fundraisers currently available for families to participate:

Marathon
Magazine Drive
*SCRIP (Tuition Credit Program)

*SCRIP is a program where you are able to buy gift cards to local retail establishments. The retail establishment pays a percentage back to the school in the form of a rebate. The rebate is split with fifty percent paid to the school and fifty percent credited as a personal tuition credit.

We hope this clarifies any questions about the school fundraisers and each family's obligation. If you have further questions, please contact a member of the School Advisory Committee.

Thank you
