

SCRIP Standing Order Form

75% tuition credit

The SCRIP Standing Order program allows you to place your SCRIP Order once and we will repeat the order for you each order period. After we place each order we will deduct from your checking account a fixed standing order of Cub and/or gas SCRIP. No more forgetting to place an order! And, standing orders can better manage your grocery & gas budget while at the same time help build tuition credits for **2008-2009**. Standing orders will be available for backpack delivery during regularly scheduled SCRIP distribution dates.

If you would like to participate, please sign & return this letter along with a voided check to Tess Eiden in the church office. Include a check or cash for your first standing order. After that, the process will be automatic.

Standing orders will be processed on each SCRIP Monday along with the regular SCRIP orders. If you would like to place non-Cub or gas SCRIP, you will be required to submit a separate order form and check as usual.
